Project Location and Description:

State Center Community College District (SCCCD) is proposing to develop and operate the Reedley College Center for Fine and Performing Arts Project (“project”), to be located at the Reedley College campus in the City of Reedley. The project includes construction and operation of a performing arts center located on approximately four acres at the northwest corner of Reed Avenue and College Driveway (APNs: 363-100-56ST; 363-100-55ST).

The proposed Center for Fine and Performing Arts building includes the following facilities: an auditorium with seating for 500-550 patrons; a 1,000 square-foot art gallery; an indoor lobby area configurable to accommodate up to 150 people as a sit-down dinner venue; a concessions area; a green room; a box office; a conference room; restrooms; and miscellaneous areas for storage and equipment. The project also includes an outdoor plaza that would function as a congregational area and may be used as an area for outdoor events and performances; this area would include landscaping, lighting, and possibly public art. The project is planned to begin construction in spring 2021 and estimated to begin operation between late 2022 and early 2023.
